## Car cleaning, where you park

Eco-friendly mobile car wash service for individuals and corporate fleets.

[Click to order cleaning!](#)[Business quote request](#)**Beiersdorf****SIEMENS****euroAPI**

### Why choose CleenUp?

#### We come to you

We clean where the car is parked, no need to move the vehicle.

#### Environmentally conscious

We work with nearly 100% biodegradable proprietary cleaning products and use battery-powered vacuums.

#### Simple

Booking takes just a few clicks in the CleenUp mobile app. Even same-day slots!

#### Fast

An average size car's exterior and interior cleaning takes about 1 hour 20 minutes.

Using eco-friendly cleaning products with no need for on-site water or power, we magically clean the car where it's parked. Cleaning can be booked in moments via the CleenUp mobile app. Vehicle care can be ordered in just a few moments via the CleenUp app or website.

## A clean vehicle, in three steps!

We can say goodbye to traditional car washes. All you have to do is book the wash via the CleenUp app, and we go and work where your car is. You can book a wash in less than 1 minute.

**1**

### Location and time

Provide where you're parked and the most ideal time for you for the wash.

**2**

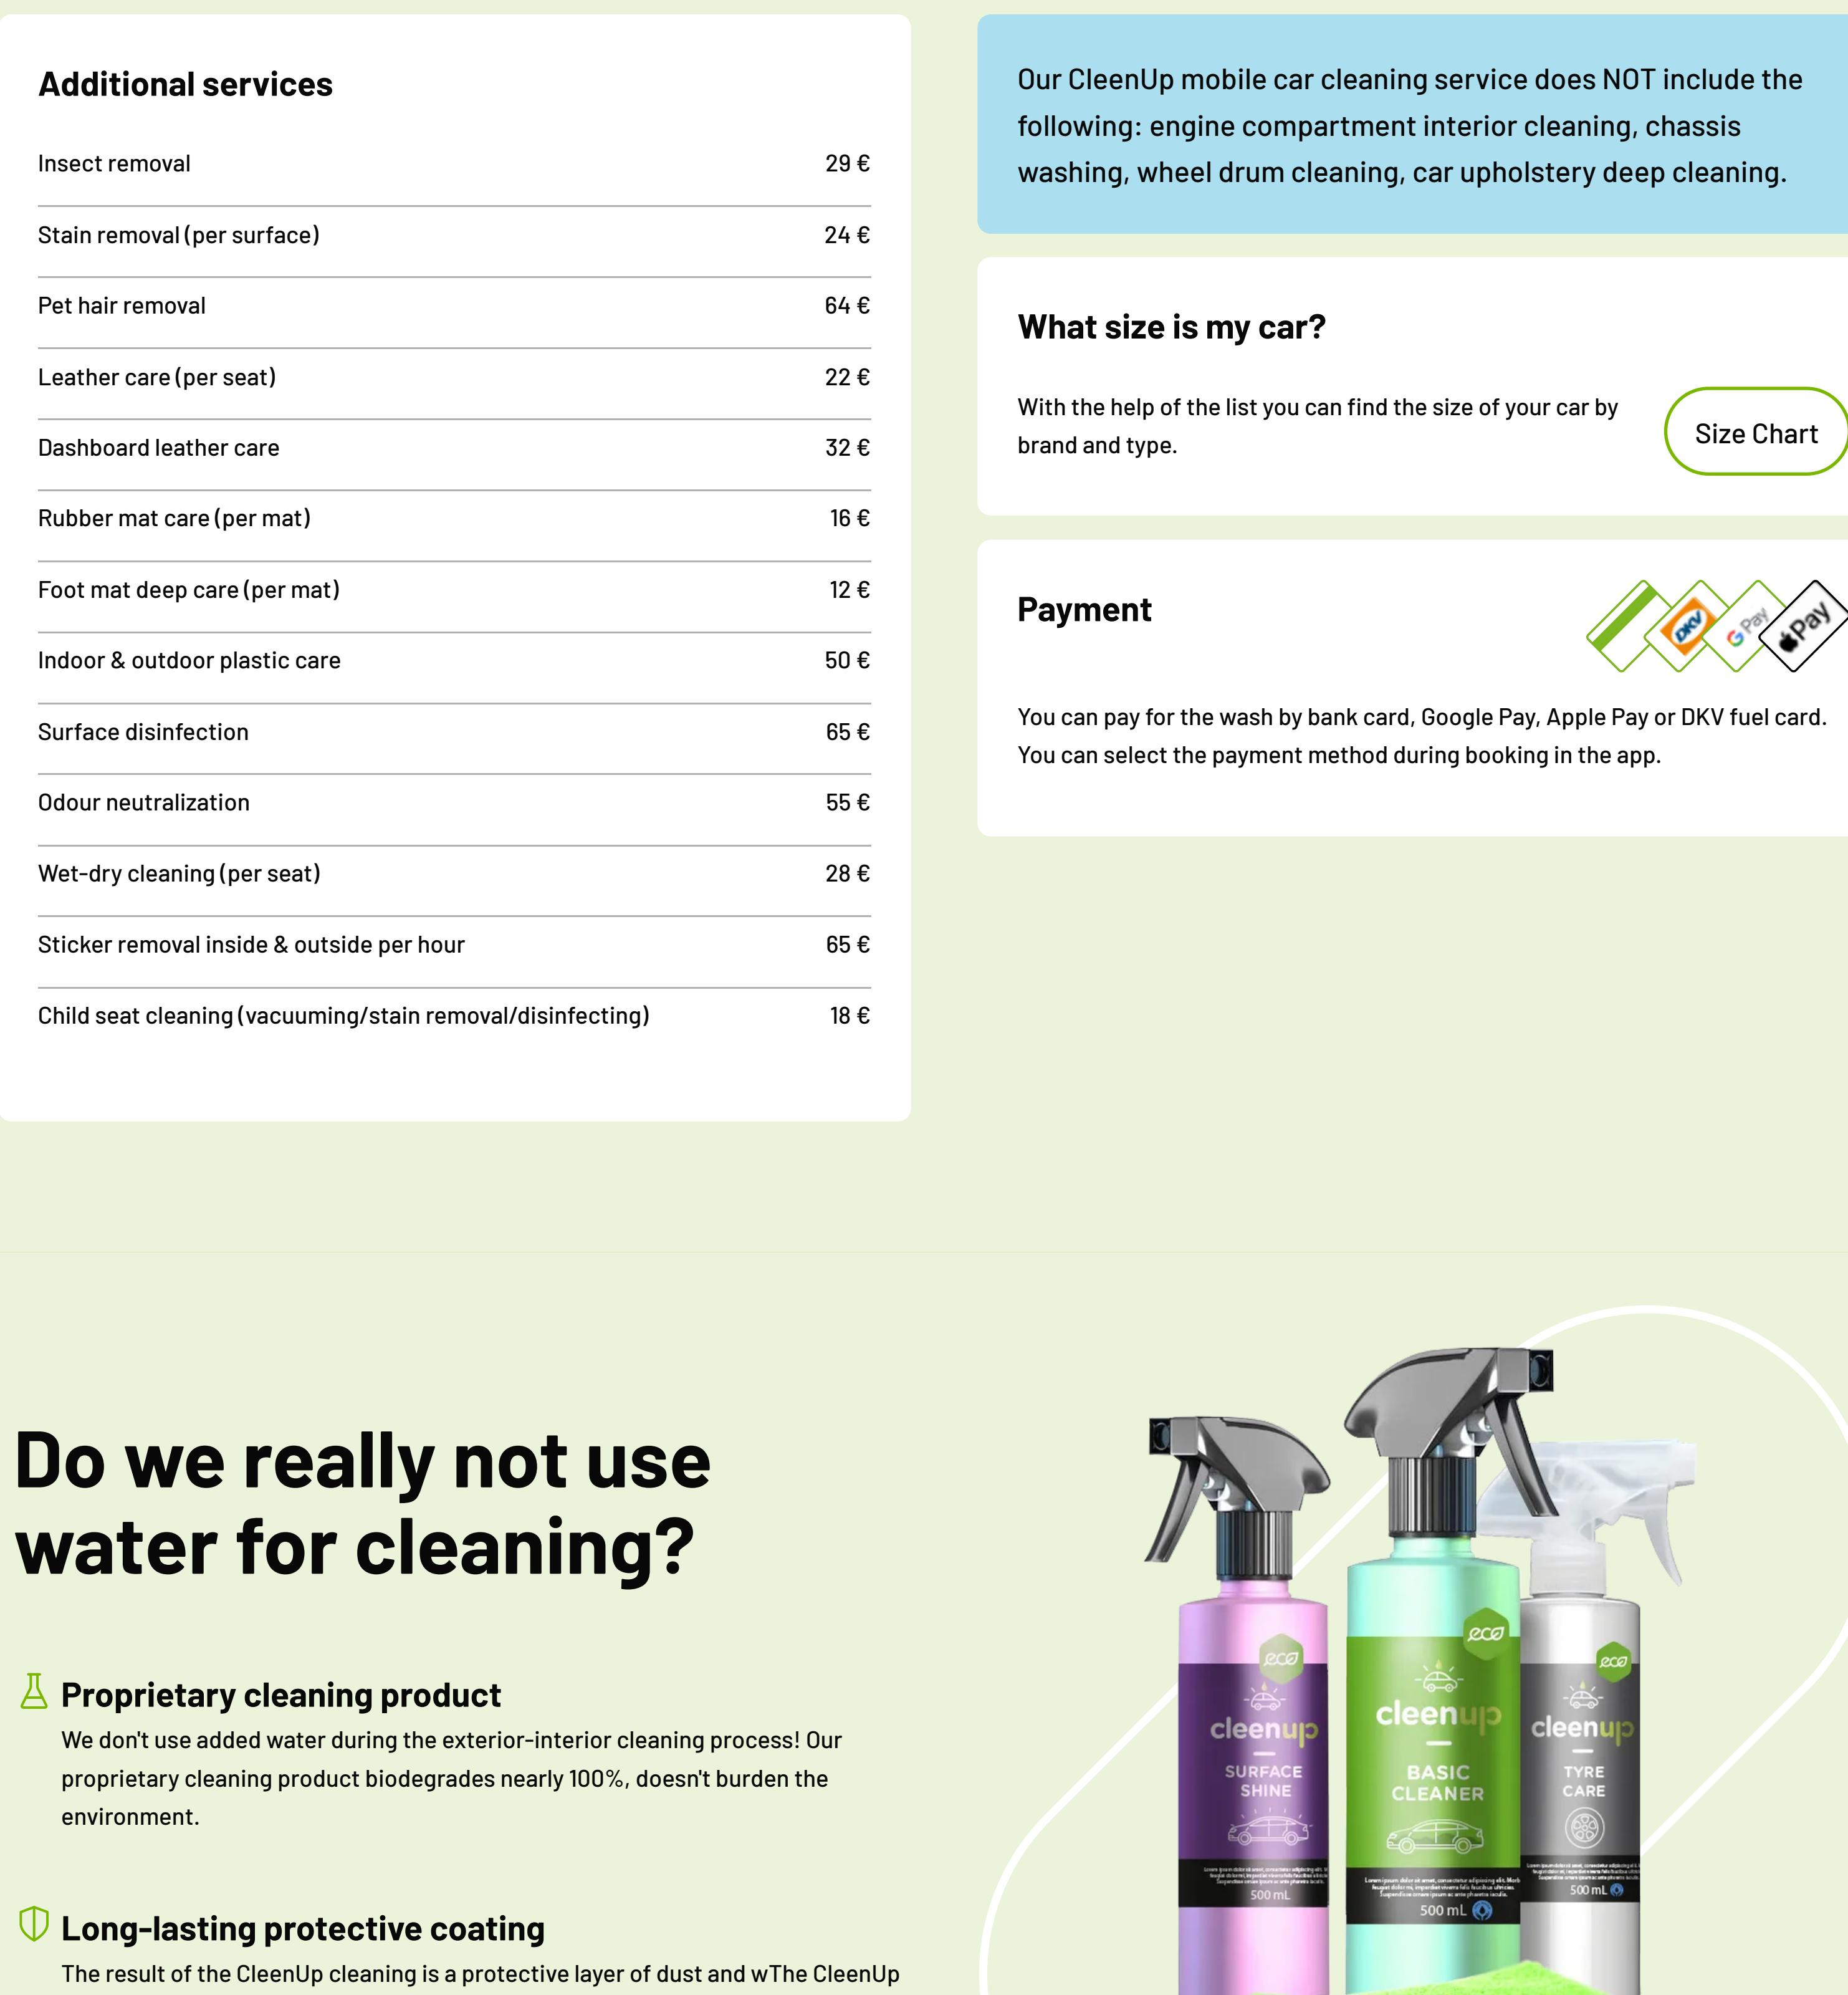

### Cleaning package

Choose from our exterior-interior cleaning packages and add options.

**3**

### Booking

All you have to do is submit your booking and we go clean where your car is parked.

## Our prices

The prices are gross consumer prices in Euro, including VAT, valid in Germany.
